

REMARKS

In the Office Action, the Examiner has stated that restriction to one of the following inventions is required under 35 U.S.C. 121: 1) claims 1-20; or 2) claims 21-24. Applicants hereby elect to prosecute the invention of claims 1-20. Applicants hereby agree to cancel claims 21-24, reserving the right to prosecute claims directed to the non-elected invention in a divisional application.

Dated: June 3, 2004

Respectfully submitted,
